Provisions:

1. Permittee agrees to save, keep and hold harmless the City of Umatilla, its officers, agents and employees from all damages, costs or expenses in law or equity that may at any time arise or be set up because of damage to property, or of personal injury received by reason of or in the course of performing work authorized by this permit which may be occasioned by any act or omission of the permittee, his agents or employees. The City will not be liable for any accident, loss or damage to the work prior to its completion and acceptance.
2. Permit is void 60 days after date of issue unless otherwise noted. A time extension shall be requested not less than 24 hours prior to expiration.
3. Concrete curb, sidewalk, gutters, driveway approaches, alley entrances, paving repairs, etc. shall be constructed per City Standards. Contact the City Public Works Department for assistance, 541-922-3226.
4. A copy of this permit shall be kept at the work site.
5. Work authorized by this permit includes removal and replacement of improvements as necessary.
6. Oregon law requires that the rules adopted by Oregon Utility Notification Center be followed. Those rules are set forth in OAR 952- 001-0010 to 0090. You may obtain copies of the rules by calling the center or online at www.callbeforeyoudig.org. Call before you dig - Umatilla Area 811.
7. Permittee shall adequately safeguard all excavations and obstructions with barricades, lights and/or other suitable safety devices per the current "MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES" (mutcd.fhwa.dot.gov/), Federal Highway Administration and follow all OSHA rules and regulations. If the permittee fails to adequately safeguard the public, the City shall place barricades and lights at the expense of the permittee. Placement of safety devices by the City shall not relieve the permittee from liability.
8. Permittee shall coordinate **24 hours in advance of any street closure** with the **Umatilla Police Dept. at 541.922.3789** for each day any street is to be closed.
9. Fire Department access to fire hydrants shall be maintained at all times.
10. Permittee shall be responsible for preserving construction survey stakes and marks for the duration of their usefulness.
11. Construction water shall not be taken from a fire hydrant until a fire hydrant meter has been obtained from the Public Works Department, 700 6th Street, 541.922.3226.
12. A minimum of **48 hours' advance notice** must be given for inspection requests (exclusive of Saturdays, Sundays and holidays).
13. Forms and subgrade must be inspected and approved before ordering Portland Cement Concrete or Asphaltic Concrete. Failure to obtain approval before proceeding with work may be cause for rejection. Any work to be done on a Saturday or holiday **MUST** be approved by the City at least 24 hours in advance.
14. Any work done without proper inspections will be subject to rejection. Permittee shall request inspections when: (1) forms are complete/ready for concrete; (2) subgrade is compacted and ready for pavement or concrete; (3) excavation is started; (4) sewers are ready for testing; (5) backfill compaction is in progress; (6) temporary resurfacing has been placed; (7) all work authorized by this permit has been completed; and (8) any time assistance is needed to assure compliance with City requirements. Reinspection's required due to site or work not being ready for inspection when scheduled or for the replacement of defective work, shall be done at the expense of the permittee.
15. Asphalt pavement, including resurfacing, shall be constructed of Level 2, 1/2-inch dense HMAC ODOT asphalt concrete for the roadway.
16. Curbs with depressions for vehicular access will not be accepted until a standard driveway approach has been constructed at each depression. Where none exists, a sidewalk adjoining such driveway approaches shall be constructed.
17. Final approval of any work will not be given until construction debris and excess material is removed and parkways are graded to conform to the standard street section and planted as appropriate to match existing.
18. Failure to secure permits for previous work or failure to pay fees due on previous permits shall render the applicant, permittee or employees ineligible for any other City permit until such fees and penalties are paid.
19. Any applicant or contractor who has done work in public rights-of-way not in conformance with City Standard Specifications, Standard Drawings or Special Provisions, or who violates the City Code shall be ineligible to do work in public rights-of-way until such deficiency has been corrected to the satisfaction of the Public Works Director.
20. Construction hours: Monday-Friday 7am to 6pm, Saturdays 9am to 6pm. NO work shall be done on Sundays.
21. Contractors shall have a Umatilla City Business License and required contractors' licenses.
22. Permittee shall remain responsible for satisfactory workmanship and material for two years after acceptance of improvements authorized by this permit.

Permission is hereby requested to encroach into public right-of-way to perform work as set forth below. It is understood that this application is limited to the work described herein and that all work shall be done in compliance with the provisions shown on the back of this application and with all other applicable rules, regulations and standards of the City; and that the permittee assumes full responsibility for said compliance, for acceptability of the work, and for repair or replacement thereof if defective, and for repair or replacement of any existing improvement damaged by this work.
