Councilor Chavez asked if there was anything placed inside Boyd's house to commemorate him. Staff explained there was. She was sad to see Hannah go. She had been a great addition to City staff.

Councilor Wheeler she participated last week. It was great to see so many people come out to our neck of the woods. She hopes this becomes an actual place for water sports and tours in the future. There were so many politicians coming together at the state level and being proactive as councils.

Councilor Smith congratulated Staff on the new collective bargaining unit. We do a lot for the small staff we do have.

Councilor Dufloth thanked staff for all the work they do. We were into some nice weather finally. He echoed what Councilor TenEyck stated. He has heard nothing but great things about the golf course, and appreciate all the work that goes into it.
