TOOLS AND EQUIPMENT

Use of computer and related software applications such as Microsoft Word, Excel, PowerPoint, and CivicRec.

Use of office equipment such as computer, phone, copier, 10-key calculator, fax machine, copy machine, base radio, and automobile.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.

While performing the duties of this position, the employee is frequently required to sit, communicate, reach, kneel, balance, crouch, and manipulate objects. The position requires mobility. Duties involve moving materials weighing up to 50 pounds on a regular basis, manual dexterity and coordination are required more than 50% of the work period while operating equipment such as a computer keyboard, a telephone, fax, calculator, and other similar office machines.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those and employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

This position works primarily in a usual office working environment, but has secondary responsibilities outdoors in City parks and trail systems. This role routinely uses standard office equipment such as computers, phones, adding machines, copy machines, filing cabinets and fax machines, but also may require use of City vehicles and recreational equipment. The noise level in the work environment is typical of most open office environments when working indoors, and typical ambient noise environments associated with working in a park setting and various weather systems (heat, cold, rain, wind, etc.).
